

PLANET YOUTH BLUE MOUNTAINS

POSTER COMPETITION!

Supporting young people to live their best lives.

CALL FOR YOUNG DESIGNERS: Create a Planet Youth poster & get paid for it!

Planet Youth Blue Mountains would like to use three exciting posters designed by young people for a new campaign. Planet Youth is all about helping young people live their best lives and that's what we'd like our posters to show. So who better to design them than you!

What is Planet Youth?

Planet Youth is a project that is working to make our community a better place for young people; a place where young people feel supported and can avoid drugs and alcohol to live their best lives.

The theme for the poster design is: “Living our best lives.”

Your poster design should capture whatever this means to you. Designs must also feature the words “Planet Youth” but these words can be a minor element of the design if you like.

Three designs will be selected for the campaign and designers will receive \$100 for their work.

How to enter.

1. Read the brief above and the fine print below, then design your poster
2. Take a good quality photo and/or save your design as a high res jpg
3. Complete the entry form online at www.planetyouthbm.net.au/posters
4. Submit your entry by 11:59pm Sunday 26 September 2021

Entry is open to all young people of high school age (12-19 years) in the Blue Mountains. Posters must be A3 size and can be created with any media including digital art. All elements must be original; no element can be subject to someone else's copyright. Designs must not feature any inappropriate or offensive content. Any people featured must give written permission for their image to be used by Planet Youth BM.
